

EMPOWERING YOU!

THERAPEUTIC ENERGIZED AROMA BLENDS

Aromatherapy, the art of using aromatic essential oils/blends, relies on the subtle effects of smell to relax or stimulate the body, mind, and spirit. You can harness the healing power of scent at the home, office, or on your skin.

Our **EGA Therapeutic Aroma Blends** are made from 100% high purity botanical undiluted essential oils, no carrier oils are used. It is specially blended and energized with AMized Fusion Technology (AFT) to resonate at Zero Point Field. The **ENERGIZED** blends create a powerful stimulus, which cleanses, balances, and rejuvenates to promote general wellbeing.
