

AFT ENERGIZED HIMALAYAN ROCK CRYSTAL AROMATHERAPY HUMIDIFIER

Most of our homes, rooms, and offices are operating with air-conditioners and heaters, which have low humidity levels where we spent most of our time. Studies show that the common cold, cough, and flu are contracted in a closed low humidity level environment.

AMist Q3, Ultrasonic Humidifier with Himalayan rock crystals energized with AFT Quantum resonance creating a comforting humidity level, helping you to stay energized, and enhancing your sense of well-being.

The vibration generated by its ultrasonic function, emits negative IONS and silently diffuses and fill your room with the aroma of your desired essential oil or blends all day long.

It is designed for low-noise operation, flame free and safe to use with children and pets. The AMist Q3 humidifier can also be used as an indirect room lighting to create a relaxing ambience with its 2-level brightness adjustable LED light.
