

ega® VIOLET ESSENCE

Multi-function Hydrating Face Gel

ENERGIZED

With Neem Extract For All Types of Skin

Anti-aging, healing and energizing

VIOLET ESSENCE - Multi-function Hydrating Face Gel

A gorgeous aloe face and under-eye gel to hydrate, calm and sooth the skin. Formulated with soothing plant-derived colorants, this simple yet luxurious gel's sweet scent and beautiful purple color make it a must-have summer favorite, smelling like sweet ripe marionberries.

Boosted with Aloe Fruit Extract and Neem's extract, it fills the gaps and cracks in the skin to prevent moisture loss and restore the protective barrier. Neem can quickly penetrate outer layers of skin, making it effective in healing dry and damaged skin. Its strong antiseptic properties will also help prevent secondary skin infections.

Energized by AFT and embedded with AFT Quantum resonance to enhance the ingredients' efficacy and potency for rejuvenation and youthfulness.

EGA VIOLET ESSENCE Highlights:

- Formulated to help soften, smooth, and calm
