EGA CRYSTALIZED THERAPEUTIC OIL - HEALING (ROLL-ON)

The **EGA Crystalized Therapeutic Oil** is a multi-purpose, hypoallergenic, easy to absorb aromatherapy essential oil blend made from a combination of 100% pure essential oils diluted for safe skin application.

This unique blend with a slight fragrance, promotes soothing, cleansing and helps neutralize negative energy. The antioxidant, anti-inflammatory, antiseptic blend helps calm nerves, decreases feelings of anxiety & depression, and is energized and embedded with AFT Quantum resonance to promote healing and rejuvenation at the Quantum level.

A must-have self-care product with antioxidant, antiseptic, antiviral, anti-aging, antibacterial, antimicrobial, and anti-inflammatory properties.

Benefits:

1. Helps in cleansing, balancing, healing and rejuvenation.
2. Helps relieve aches, pains, headaches, and heals burns and wounds.
3. Helps boost immune system and improves nervous system health.
4. Helps to relieve respiratory conditions, reduce stress and improves sleep.
5. Soothes dry skin, redness, irritation and great relief for acne, eczema, skin rashes and scarring.
6. Helps reduces spasms, kills bacteria. and promotes defense against free radicals.

Ingredients:

Lavender, Chamomile, Tea Tree, Lemon, Bergamot, Tagetes, Pepper, Jasmine, Cedarwood, Musk, Peach, Vanilla with fractionated coconut oil and natural Quartz crystals and stones.

Directions:

You can use the roller bottle anywhere on your body. Roll onto concern areas in a circular motion and gently rub. For best results roll onto pulse points like behind the ears, on the temple, and inner wrists.

Specifications: 15ml / 0.5 oz
Essential oil blend diluted for safe skin application in a roll-on glass bottle filled with natural Quartz crystals.

Caution:
Possible skin sensitivity. Keep out of reach of children. For external use only.
