

AFT TRANSDERMAL WELLNESS PATCHES

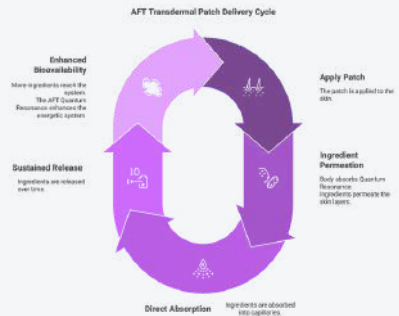

Quantum-Activated Nutrient Delivery Through Your Skin, Into Your System

AFT Wellness Transdermal Patches—a next-generation solution that delivers essential vitamins, minerals, and AFT Quantum Resonance directly into your bloodstream via your skin. No pills. No injections. Just continuous, controlled wellness support infused with quantum technology.

These scientifically-formulated adhesive patches are applied to the skin, where they slowly and continuously release active ingredients using advanced transdermal delivery. Each patch contains nutrients dissolved in a permeation enhancer solution, allowing ingredients to pass through the skin using diffusion and osmosis.

Key Benefits at a Glance:

- Enhanced bioavailability – more nutrients where your body needs them
- Bypasses digestion – no stomach upset or nutrient loss
- Quantum resonance support – energetic coherence at the cellular level
- Sustained release – steady absorption for extended benefits
- Effortless wellness – convenient, mess-free, and needle-free

**Feel the Shift
Naturally and
Energetically**

**Advanced Healing.
Seamless Delivery.
Quantum Results.**

Advanced Healing for Aches & Pain – Quantum-Activated Relief

- Vitamin C (as Calcium Ascorbate):
- Manganese:
- D-Glucosamine Sulfate 2 NaCl
- Chondroitin Sulfate
- MSM (Methylsulfonylmethane)
- Curcumin [from Turmeric (*Curcuma longa*) root extract]
- White Willow Bark

Relieve joint discomfort, stiffness, and inflammation naturally with the AFT Transdermal Patch—a powerful blend of proven ingredients like Glucosamine, Chondroitin, MSM, Curcumin, and White Willow Bark. Designed for deep, lasting relief, this patch delivers nutrients directly through your skin for faster results—no pills, no irritation. It promotes energetic balance while easing pain and restoring mobility.

Antioxidant Plus - Antioxidant Defense & Cellular Function

- | | |
|-------------------|-------------------------|
| Vitamin C | Molybdenum |
| Alpha Lipoic Acid | Manganese Chelate |
| Vitamin B2, | L-Glutathione |
| Milk Thistle | N-Acetyl Cysteine (NAC) |

Recharge your body at the cellular level, formulated to deliver a potent blend of antioxidants, detoxifiers, and energy-boosting nutrients directly through your skin. Designed for maximum absorption and powered by AFT Quantum Technology, this patch bypasses the digestive system to fuel your body where it matters most—at the cellular level.

Advanced Multi Vitamin with Astaxanthin

- Vitamin A (Beta-Carotene) – Supports healthy vision, skin, and immune defense.
- Vitamin C (Ascorbic Acid) – Boosts immunity, collagen production, and antioxidant protection.
- Iron (Bisglycinate) – Gentle on the stomach, helps combat fatigue and supports oxygen transport.
- Vitamin B9 (5-MTHF Folate) – Bioactive folate for energy, brain function, and cellular repair.
- Astaxanthin – A powerful antioxidant that supports skin, eye, and heart health.

Simplify your wellness routine with the AFT Multivitamin Patch—a transdermal patch that delivers a potent blend of essential vitamins and antioxidants directly through the skin and into your bloodstream for superior absorption and all-day support. No pills, no digestion, just powerful nutrients right where your body needs them.
