QUANTUM HEALING

Quantum healing is healing the body and mind from a quantum level, a level, which is not manifested at a sensory level. Quantum healing involves a shift in the fields of energy information, so as to bring about a correction in an idea that has gone wrong.

The intention of the observer changes and creates the outcome of how quantum behaves. At the subatomic level when we observe something, we change its outcome.

These extraordinary forms of Quantum healing are related to understandings of quantum physics and of consciousness. Just as quantum physics aims to describe physical phenomena normally hidden at a subatomic level, so quantum healing is directed to healing the body-mind from a deep, unmanifested level of consciousness.

The mind and body are expressions of this profound consciousness known as: "quantum mechanical body", according to Dr. Deepak Chopra.

AFT QUANTUM HEALING

AFT Quantum healing is healing of the energy body or subtle energy leveraging on Quantum entrained products resonating at Life Force. It is a form of cellular healing or Zero Point healing. It goes to the small cellular body which has consciousness, and by moving energy through your body, you can activate the innate healing ability of the body.

AFT Quantum Healing involves a set of protocol to facilitate the subject in their healing by using the AFT healing tools.

These steps facilitate the subject in engaging in all dimensions and bring them to the Theta healing state.

The AFT Products resonating at Life Force, align the major energy centers (Chakra) and create a cocoon of energy vortex for maximum healing. By using the AFT products there are no manipulations of the individual, unlike other holistic healing modalities. In AFT Quantum Healing the person who is being healed is called "healer" and the person helping with the AFT Healing tools is called the "facilitator."

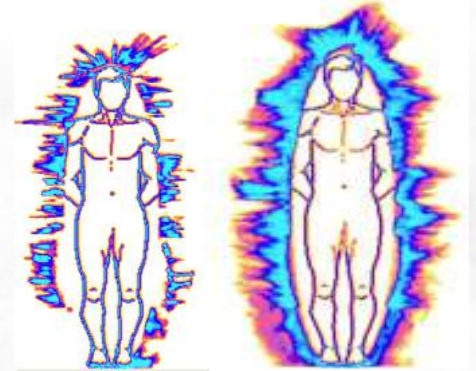

THE HEALING POWERS WITHIN US

Our body has an extraordinary intelligence and ability to heal by itself. Each cell is dynamic in nature and constantly adjusts its own processes to maintain balance within the body.

Cells have an amazing ability to heal themselves. Moreover, the body makes new cells to replace those that have been permanently damaged or destroyed.

Given the right energetic, emotional, nutritional, and spiritual environments, one can achieve the natural state of the body: homeostasis. When the energetic system is in complete balance, our energetic performance expands and increases many folds.

WHAT IS AMIZED FUSION TECHNOLOGY?

Amized Fusion Technology™ (AFT) is a unique proprietary quantum technology that ENERGIZES products to resonate at Zero Point Field.

In this technological process, the elements of the products are cleansed of any negative contaminants, which means removing all other contaminants that are not part of the original element(s). Then, its natural resonance is scanned till the Life Force Energy (source energy) is identified, after which, it is charged with its own resonance in a vacuum chamber for over 21 days. During the 21 days' process, the Life Force Energy resonance from the element's natural organic resonance is amplified, which is termed as ENERGIZATION.

By ENERGIZATION, it means a product (organic element) is/are vibrating at a Zero Point Field or vibrating at a much higher level than its normal resonance.

HOW IT WORKS?

Our energy system needs the concentration of the individual, his or her intention to heal, attitude to actively participate in the healing therapy, AFT Quantum Tools strategically placed, and someone with passion and interest to facilitate, can bring about amazing healing results.

AFT Quantum Entrained Disc is an effective tool for healing because of the principles of resonance and entrainment. In physics, the "entrainment" theory is a process where two vibrating objects, vibrating at different speeds, start to vibrate at the same speed when energy is transferred between the two objects. The AFT Quantum Healing Disc and the Orgonite Cone Antenna are ENERGIZED to resonate at Zero Point Energy.

The AFT Quantum Entrained Discs are embedded with Quantum healing resonance and when strategically placed, "trigger" the energetic system to "self-heal" in all dimensions. The Orgonite Cone Antenna, placed over an entrained AFT Quantum Disc, allows the flow of Life Force Energy to all AFT Discs placed strategically on the body.

With the abundance of life force energy from the environment, the biofield is able to clear its distortions, cleanse, charge and rejuvenate the energetic dimension of the body.

WHY AFT QUANTUM HEALING?

Most of us live a highly stressful life, exposed to excessive pollution and an unhealthy lifestyle that abuses our energetic system to a certain extent. Everyday, we output more energy, compared to our intake of energy which results in; lack of energy, fatigue, energetic imbalances, discomforts, aches, pains, depression and other complications. These imbalances in our energy system, when ignored, develop into disorders. When not addressed in time, they translate into diseases.

Just like regular exercises and spa treatments are recommended for healthy living, regular AFT Quantum Healing sessions, can cleanse, balance, charge and rejuvenate our complete energetic system. People who have undergone AFT Quantum Healing share that they feel more "balanced", "centered", "grounded", "empowered", "peaceful", "energized" and "relaxed".

The AFT Quantum Healing with the AFT Healing Kit is ideal for all ages, as long as the "healer" is able to respond and engage with the facilitator. This kit is not for self-healing, but to help others in their self-healing and can only be used after attending the AFT facilitator course. AFT Quantum Healing facilitation is recommended for people:

- With low immunity, energy, low self-esteem, tiredness, and fatigue.
- Who are highly stressed up, have hypertension, and high anxiety.
- With physical ailments such as aches, pains, cramps, and disability, etc.

MAJOR PRODUCTS IN THE KIT

1. Orgonite Cone Antenna

The Orgonite Cone Antenna is made of a combination of mixed natural crystals and minerals fused together to form a cone to act as an energy abtractor and transmitter.

The Orgonite Cone Antenna absorbs Life Force energy and resonates positive energy, wellness, peace, harmony, thus creating a positive atmosphere for the energetic aura.

The Orgonite Cone is entrained with the AFT Quantum Discs to accommodate Life Force Energy flow and at the same time it protects us from external frequencies and negative energies.

2. AFT Quantum Entrained Disc

The AFT Quantum Healing Discs are programmed, prepared and energized through our cutting-edge proprietary technology - AMized Fusion Technology™ (AFT).

They are embedded with a set of complex quantum healing vibratory messages, and entrained to resonate at Zero Point Field (Life Force Energy). All the 4 discs when strategically placed act as a catalyst for Life Force energy which "trigger" the energetic system to "self-heal" in all dimensions and to help in setting both Quantum alignment and energetic polarity.

Each AFT Quantum Entrained Disc is made with a combination of 80mm DVD with copper disc on the top and Quantum Resonance microchip implanted at the bottom, programmed individually to cover all 3 dimensions (mental, emotional and physical).

3. AFT Healing Pellets (Magnets)

The AFT Healing Pellets are an additional asset to ensure continual healing even after the therapy.

The pellets are made of strong natural magnets and are energized through our proprietary technology - AMized Fusion Technology™ (AFT). After the therapy, paste 1 pellet at the area of need or concern. The subject can have it on for days without removing it. They can change the Kinesio tape when the initial piece is worn out. The pellets are embedded with Quantum resonance, and the magnetic resonance continues to energize the entire energetic system.

4. AFT Chakra Disc (Copper)

The AFT Chakra Copper Disc is a high energy healing disc that is energized through our cutting-edge proprietary technology - AMized Fusion Technology™ (AFT).

The discs are designed to release energetic healing vibration, and implanted with Quantum resonance microchip. The Chakra Discs are to be placed on Heart, Solar Plexus, Sacral and Root chakra points over a blanket to form an alignment and connection to the entire energetic system during the therapy. These discs can also be used in both palms when performing the general 9 stage Wanding.

5. AMwand BlackTip - Energy Balancing & Healing Multipurpose Tool

The AMwand BlackTip is our signature pen-shaped device that resonates with a stream of Life Force energy.

When rotated above or pointed at various parts of our body, it can help dislodge energetic blockages and allow our body to cleanse, charge and rejuvenate. The AMwand BlackTip is an active healing tool ENERGIZED, engineered with 14 special minerals and crystals to create a long lasting Zero Point resonance. It allows our body to source the natural Life Force Energy from the environment and brings balance to all aspects of our mental, emotional, physical and spiritual health.
